State \_\_\_\_\_ County \_\_\_\_\_

The above tree(s) is/are submitted for registration as:

Historic (  ) Size (  ) Aesthetic (  ) Environmental (  ) All of these (  ) Other (  ) \_\_\_\_\_

We register the trees that are representative of those about 100 years of age and older. These trees must measure 9 ½ feet, 6 inches in Circumference at 4 ½ feet off the ground. Those that are found to be smaller will be documented as well by us and listed in our Recognized Oaks files. We will make an appointment to come out to measure and record the necessary data from the trees at your permission. Documents will be made available for your own records as well as a completed application form to register with the state registry known as Société des Arbres (a small fee involved for their registry).

We allow you to name the trees. Plaques and wooden plaque backings can be ordered from us for each tree. A description of the location of the tree(s) on the property with reference to the street(s), house/slab/out buildings or any other note worthy markers will help us locate each tree for you if you are unable to be present when we do come out. We can be reached at The Hancock County Historical Society's Kate Lobrano House on Cue Street, Bay St. Louis, MS. By phone: 228-467-4090 By email: treeregistry@gmail.com or by mail P.O. Box 3356, Bay St. Louis, MS. 39521

Requests are taken in the order they are received and volunteers are working hard to provide this service when they are available.

Donations are welcome
